

Hi Guys

Just taking a moment to say a BIG thanks for booking His Worship And The Pig for the festival this year. We had a fantastic time! Saturday night concert was stunning! I thought the whole event was incredibly well organised and all the people who worked so hard to ensure it all happened as planned and were friendly, helpful and so professional! In short Excellent.

I hope the whole event was a great success from your own perspective and that next years is even better!

Many Many thanks again

All the best

Dave and Jeff His Worship and The Pig

Hi Dave, I'm so glad you enjoyed MrsAckroyd - we certainly had a great time and the Radio Leeds programme came over very well indeed I thought. Congratulations on a great festival..... Hilary Spencer

Thanks for having me as part of such an excellent festival, Dave.

We're back safely back in Bournemouth and attempting to come to terms with the loss of Johnny Collins. He's been a good mate and singing partner for over 40 years. I'm glad, though, that he left on such a great wave of audience appreciation, and that he had just been singing with Jim Mageean. Of all his great sining "The Johnny and Jim Show" was his finest iteration. He leaves a gap which can never really be filled.

All the best, Tom. Tom Lewis

We have had a lot of lovely comments from people and makes us more determined to get out and about beyond our own area.

We're really glad the festival went well, the atmosphere in and around the festival was really friendly and the weather was quite kind, I hope it is for us too.

Looking forward to seeing you soon.

All the best, Jan and Pete. Better Late

Thanks very much for inviting me to MC the Saturday night concert – it was wonderful, and I had a ball. Something Nasty just blew me away! I hope you felt I did OK for you? And congratulations to you and all the committee for a fantastic weekend – it was really excellent!

Love, Ali x Ali O' Brien

Hi Dave

On behalf of Full House many thanks for a great day on Saturday. Hopefully your audiences enjoyed the Full House concert spot. We had a good day with you.

If we can be of service at any time in the future please do let us know.

best wishes, Mark, Dave, Nick, Chris and Ian Full House

Hi Dave - and all concerned...
HUGE thanks for having us over.

The soundmen were fab - dead good - efficient and easy to work with.
Nice blokes, all of 'em! Top marks. Please pass on our thanks.

We spent a deal of time rapping with new folks about the place
and had a great time - the crowd seemed to be lapping it all up all over the town.
Great atmos all round -a happy place to be!

Then our own part - onstage at both venues - went very well (for us!)
To see a full marquee (and beyond!) getting into our efforts so much...
Then audiences joining in so much - choruses (sp?) and all the
swaying and arm waving to the Yo Ho Hos and all - just bloomin' marvellous!
We got incredible pozzy feedback from the crowd - made our day!

Hope you got lots of good vibe from our part in it all - we sure did!

Pass our thanks to your organisers, helpers and all concerned - bless 'em all.

Our CDs sold well! - and a good time was had by us McF's - a great fest - thanks mates!

All th' very best - Duncan (on behalf of Anne & Gerry - the Duncan McFarlane Acoustic Band)
PS. Leccie Band next year, eh? Hah!

Hi Dave and Janice

What a great festival! Congratulations on your debut!

Thanks also from Berkana and Thieving Magpie for inviting us. Berkana had a great reception on Friday night, and Thieving Magpie have gained street cred after The Saturday Night Incident. (Thanks for sorting that out, by the way). The offer still stands if you want to use Berkana for promotional/charity purposes (or Thieving Magpie for that matter!).
